

GITA GIS TECHNOLOGY WORKSHOPS

Thursday, 13th November 2008

Naval & Military Club, 27 Little Collins Street, Melbourne, VIC

Automated CAD & GIS Integration for Better Asset Data Management:

9:00 a.m. **Welcome & Issue Review: Key Utility Industry Drivers for Change:**
Andrew Bashfield, Key Account Manager, Autodesk Australia

The Range of CAD-GIS Integration Scenarios:
Steve De Rosayro, Business Consultant Consultant, Autodesk Australia

Case Study: CAD-GIS Integration at Ergon Energy:
Steve De Rosayro, Business Consultant Consultant, Autodesk Australia

Round Table Discussion:
Workshop participants broken into two or more groups with leaders & scribes, highlighting CAD-GIS integration issues at their organizations: e.g.

- Outage management
- Maintenance request or work order
- Third party data editing and data distribution
- Site & Asset Inspection
- CAD-GIS data synchronization
- CAD-GIS model synchronization

Presentation of findings

10:45 a.m. **Morning Tea Break**

11:15 a.m. **User Story: Energy Australia CAD Integration, plus Field & Mobile Integration**

Omar Awny, Consultant, AEC Systems Pty Ltd

Reviewing Issues & Moving Forward:
Andrew Bashfield, Key Account Manager, Autodesk Australia
Future planning, future steps, pilots, ongoing working group.

12:30 p.m. **Lunch Break**

Open Source Geospatial: How Can Your Organisation Take Advantage?

- 1:30 p.m. **Welcome & Overview:**
Andrew Bashfield, Key Account Manager, Autodesk Australia
- 1:40 p.m. **OSGeo Foundation: Roles and activities, Australia & International**
Jody Garnett, Geospatial Systems Architect, LISASoft
- 1:50 p.m. **Business case for Geospatial Open Standards and Open Source**
Jody Garnett, Geospatial Systems Architect, LISASoft

- 2:20 p.m. **Case Study: Open Source Deployment at Ballarat University and Explore Australia**
Zac Spitzer, Solution Architect, Ennoble Consultancy

- 2:45 p.m. **Round Table Discussion:**
Workshop participants broken into two or more groups with leaders & scribes, highlighting current or expected Open Source Geospatial implementation issues at their organisations: e.g.
- Incumbent spatial systems and data format
 - Inertia to change
 - Fear of support
 - CAD-GIS data integration
 - Third party data editing and data distribution

- 3:15 p.m. **Summary of findings**
- 3:30 p.m. **Afternoon Tea Break**
- 3:50 p.m. **A Guide to Implementing Open Source Geospatial System: MapGuide Open Source**
Milton Lofberg, Geospatial Consultant, Autodesk Australia

- 4:40 p.m. **Reviewing Issues & Moving Forward: FOSS4G 2009 Sydney**
Future planning, future steps, pilots, ongoing working group / user group.
Andrew Bashfield & Cameron Shorter

- 5:00 p.m. **Workshop Close**

GITA GIS Technology Workshops - 13/11/2008 Naval Military Club Melbourne
Please use a separate registration form for each person.

Name: _____
Company: _____
Postal Address: _____
Suburb: _____
State: _____ Postcode: _____
Tel: _____
Email: _____

I will be attending... (Please pick ONE)

Morning Workshop – 9:00 am to 12:30 pm (includes lunch)

\$260 (All prices include GST)

Afternoon Workshop – 1:30 pm to 5:00 pm (includes lunch)

\$260 (All prices include GST)

Whole Day Attendance (includes lunch)

\$480 (All prices include GST)

Member Discount:

Members receive 10% discount.

Multiple Registrations:

Receive a 10% discount when registering three or more people.

Please complete this page and **fax to GITA on +61 3 8677 2437**
Or **email to registrations@gita.org.au**

An invoice for the total amount will be forwarded to you by email.

- Please invoice me, Purchase Order no. _____
 or charge my credit card : Mastercard Visa American Express Diners Club

Card Number

Signature: _____
